DISCUSSION ITEMS/PUBLIC COMMENT	
REVIEW/APPROVAL OF MINUTES	Minutes from the February 24 th Curriculum meeting will be posted on line 03/12/2020.
VPI UPDATES	No updates at this time.
SLOS ON INDEPENDENT STUDY	Mary Copeland proposed to add standardized SLOs on independent study courses to the Committee. The Office of Instruction currently requires a contract to be created for all students and faculty taking an independent study course, in which SLOs are determined by both. The Committee has agreed to add “SLOs will be determined in a contract between the student and faculty member” as standardized language to the COR.
SLO REVIEW	It is the purview of the Curriculum Committee to review curriculum and make recommendations to the departments about what appears on the COR. According to Ginny Evans-Perry, SLOs are a part of the Accreditation and SLO Committee (ASLO), so the Curriculum Committee should defer to the experts when reviewing SLOs. Glenn Drewes believes that the Committee should review to see if the SLOs can be assessed. There was additional conversation about CTE programs using verbs that do not align with Bloom’s Taxonomy, additional discussion will follow. The overall consensus of the Committee was that it should be up to the department faculty to determine which verbs they would like to place in the SLO section of the COR.
PUBLIC COMMENT	No public comments at this time.
