Commencement Update -Dr. Carlos gave an update on Dr. Carlos Commencement. Tomorrow is Grad Fair. Commencement is Tuesday, May 21. Evaluators are working to get as many students evaluated as possible. April said Fall 2023 students who graduated will be able to walk if they are Dr. Carlos asked Keynasia to send on the graduate list. Keynasia has the students who have not received graduates who said they have not the information his way or have them received information yet and asked if call and they will be manually added there is an RSVP link they need to fill to the list if they are wanting to walk out. Dr. Carlos said there is but only for and are eligible as a graduate. Financial Aid Update -In Sam's absence, Dr. Rosas reported S. Trejo Financial Aid has updated their website to make it easier to navigate. We are in the process of crafting messages to students regarding the FAFSA for 2024-25. We are still having challenges with the Department of Education and with We will be messaging students early mapping. We want to make sure next week regarding 2024-25 students understand there are issues FAFSA. with balances on their account, so they do not panic and drop when they see an outstanding balance. We met with the The week of May 13, we will meet Financial Aid staff regarding satisfactory with Admissions and Records, academic progress and AB 789. It was Counseling and Financial Aid to suggested a subcommittee should be discuss how our offices are going to formed to understand this bill and how work together to stay compliant and to adhere to it and work together. the best way to approach Fermin reported the Financial Aid satisfactory academic progress. Awareness Fair was successful. May 2 priority deadline does not affect returning students and they still have We are going to send a final until September 2. The last in-person reminder about the May 2 deadline set of workshops will be this Friday. We next week. have had 12 FAFSA and 12 CADA in On May 1, there will be a person workshops and more online. We finalized the selection this week for Scholarship Training refresher Foundation Scholarships. Foundation Scholarships will be input in the system, a list will be

finalized and mass email sent to

other recipients.

5. Area/Dept Updates

Dr. Rosas: Books + program is going away after this semester and District is working on something to assist students. They are contemplating an Opt In/Opt Out option for books for students. April shared students would most likely pay a fee for Opt In and if they do not want this program, they will need to choose Opt Out. Fermin asked if this was Board approved. Dr. Rosas said not yet because they are still working on it, but District will manage it. The fee has not been determined yet. Dr. Carlos asked if there has been a cost analysis of books in fields of study done. Frederick stated that additional fees for students could do more harm than good. Oscar mentioned payment of registration fees as long as they have a balance of \$200 or less they can register. He asked if this balance will be increased to \$300 or more so they can register? April has not received any information to update the balance of \$200 as of this date.

SAS: Summer 2024 enrollment for SAS is 213 and fall already has 267 students registered. They did outreach work and are contacting special ed teachers in the area high schools.

Outreach: Senior Day and Resource Fair was successful this year with eighteen different high schools participating. They received 447 responses from the survey after the event. 75% of the students said they prefer academic classes in person; 18% prefer hybrid and only 6.6% prefer online classes. Fall looks like it is still 50% online. Ty added the students want to be here in-person and many of them are failing their on-line classes. We are not an online institution. A number of students need technological help. Keynasia suggested we need a healthy mix of both in-person and on-line classes.

Transfer Center: May 2 UC Riverside will be on campus for our prospective students that will be applying for spring of 2025 and for our students who have been accepted into UCR.

Basic Needs Fair: Today

Umoja: Naming Ceremony on May 15. Black Student Success Week in the Library Viewing Room.

Island Grad: May 4 in the Greek

Theatre.

Student Health Services: May 2 Spring Mental Health Fair on Campus Center Walkway.

A book relief program is hoped to be in place for fall semester and is in the planning process now with District and the colleges.

Dr. Rosas asked for this information so she could share it with Cabinet. Amanda will provide it.

Keynasia will send a flyer for UCR and also for their Transfer Celebration on May 9 in the Auditorium.

Send flyers to Suzan who will forward them to SS Council and to Enrollment Management & Student Equity Committee members.

	Dare to Dream Fellows: Presentation on what they have learned on May 10. Cinco De Mayo Luncheon on May 1 in B-100. Grad Fair tomorrow. Nuestra Graduacion on May 11 in the Greek Theatre. Student Life: 423 students graduating at this time and 305 signed up for breakfast. FYE: End of Year Celebration May 17, Redlands, The Mitten Building. Financial Aid: Sam thanked his team for working diligently to get applications moved forward quickly.	
6. Adjourn – Next Meeting: May 23, 2024
